Hi Afton. Hope everyone on this note had a safe weekend.

We will be ready to participate in the virtual ex parte scheduled for April 15. Our speaker on behalf of Robinson will be Steven D. Capps. We are eager to participate by virtual means, and we hope this means phones and multiple locations will be permissible as Mr. Capps and I are not in the same location. We look forward to learning more about the technical set up.

If the technical set up proves too cumbersome or time consuming, please also know that we are happy to provide a letter filing with more context around the NRC Order which is the subject matter of this allowable ex parte briefing.

Hello, Afton. I know that date works for Duke Legal, but we are working on the availability of our speaker from Nuclear and will be back with you soon.

Heather
